CONSIGNMENT SALES

Product prices are based on a 60/40% basis. We suggest you check around to see what other similar products sell for in our area, and itemize your product ingredients, before deciding on your shelf price.

CONSIGNMENT PAYMENTS

Checks for the previous months sales are written on or close to the 15th of each month. Stop in to see if you have one. This is a good time to check on your products, to restock or update. We do try to help you out by emailing if you are low, but its ultimately up to you to keep track of stock.

THEFT OR LOSS AND LABELING

Bramble, and/or the owners of Bramble are not responsible for any loss of or theft of your property for sale in the store, or liability of customers use, pertaining to your products. Please obtain the proper insurance. We do not require you to have insurance, we only HIGHLY recommend that you do. Products must include; Business name, a list of all ingredients and contact information for your business. The Bramble collective reserves the right to remove products from the shelf, if needed.

JURYING AND RESTOCKING OF PRODUCTS

Each and every product that we stock must be juried by the collective. We must consider many factors and so do not always sell everything you might wish us to. It is the vendors responsibility to keep products stocked, and after 30 days of no response/restocking, we will assume the vendor agreement to be cancelled.
